because of an emergency.

Our prayers are with Carole and her family during this tragic period.

All performances of SOCIAL SECURITY are dedicated to our military
forces involved with Operation Desert Storm.

Synopsis of Scenes

The entire play takes place in the apartment of David and Barbara Kahn,
located on the East Side of Manhattan, close to the park. It is a 3rd floor
apartment - a huge, high ceilinged, grand New York home, remodeled to the
point of unrecognizability. Only the original doorman buzzer remains from
the old apartment. Everything else has been transformed into a lush, modern
showplace for Kahn's art dealership. The time is current.

The play is divided into two acts.

There will be a fifteen minute intermission between acts.
