and David Gann

*I DO! I DO!* is the story of a marriage. The story of Michael and Agnes—the chronicle of a life together; the birth of their children, quarrels, money problems, love, all told in a sentimental style, sometimes tongue and cheek; sometimes brassy and bold, alternately soft and touching. The cheerful, tuneful score by Tom Jones and Harvey Schmidt runs through the story mirroring and dramatizing the moods and events of Michael and Agnes.

*I DO! I DO!* is that double rarity—the perfect musical play for two performers and an entertaining look at that still surviving great institution, marriage.
