## THE ODD COUPLE

### "TRIVIA TIDBITS"

Did you know that:

... Linda Wallace, who plays Olive, a TV Producer, is a DJ and announcer at KUBC/KXXX radio?

... the answer to the question, "Is there a doctor in the house?" is yes! Mary Kleinsorge, or "Florence", is a chiropractor.

... Karen Rosga (Renee) doesn't know any penguins personally, but is on speaking terms with Smokey Bear? She's a Park Ranger!

... that although there are party house strewn around Olive's Apartment, Rachel Krute (Sylvie) doesn't change hers in this play? (Unlike "Crimes of the Heart", in which she made a very discreet change on stage!)

... Ronna Wikert (Mickey the Cop) has had her dreams come true? She always wanted to be a policewoman!

... Sandy Lundberg (Vera) is not really as "ditzzy" as her character? She is a certified teacher, and started the MHS Dance Team! She is, though, as pretty in reality as in Vera's husband's fantasy.

... Jason Rine, (Manolo), works at KREY-TV? He is not in Sales Administration, like Manolo and Jesus, ...but he's working on it!

... Chris Blackwell, (Jesus, or "Hayz"), is not only an actor, but designed and built the set? He also uses his talents at Keystone Construction, as a Project Manager.

... Kat Stenlein, Director, actually portrayed "Florence Unger" in an "off-off Hollywood" production of this wonderful play?

... Carole Zempel, Assistant Director, was actually mistaken for a statue in Madame Toussad's Wax Museum in London? (It was probably Vera or Flo who made the mistake!)

DUBONNET is a sweet red or white aromatized wine, used chiefly as an aperitif?

... that a CAPON is a rooster with an altered lifestyle?

... that the GEORGE WASHINGTON BRIDGE, over the Hudson River in New York City, (and seen through the window of Olive's apartment on our set), has lattice-steel towers 595 feet high, with a clear span of 3,500 feet?
